SOUTH OGDEN WEBER HIGH SCHOOL UTAH

Hi
Well the year is over at last, I have sure enjoyed
knowing you, and may you have the best of luck
in what ever you attempt, I'll see you in church
Lauri J.

Foreword...

"WEBER High—best school in all the land." Yes this is our school—
best in athletics and sportsmanship, best in scholarship, best in soc-
ial and extra curricular activities, and above all best in making and
maintaining the high standards and values Weber has set. Weber
is recognized and proclaimed by students, teachers and surrounding
schools as the friendly school, which she has held ever since her
establishment.

Yet with all the glory achieved for Weber in different activities
by her students, it is the studentbody that maintains Weber's pre-
stige through its friendliness. It is in this yearbook that we seek
to portray the average student. Not the academic side, but the
friendly, warm, humorous side of the typical student and Weber.
Remember — AS YOU GO — SO GOES THIS BOOK!

Hi catie,
Hope's wishing a sweet gal
loads of luck, success in your
future years. Be good always
as you are now.

MEET Willy and William—our typical graduate and his counter part of the 12th century. Our 58 edition of **GOLDEN SPIKE** is dedicated to them and the telling of their stories.

HITHER, yon comes ye olde Warrior, William. Yea, this varlet desireth the honour of Knighthood. Forsooth, many trials and tribulations will befall him before it falls his happy lot. He believeth that he is ready to try. Tidings and good cheer, young William.

WILLY

DIG MAN Who is rumblin' up the beach? It's that cool warrior cat Willy type, going to his pad at Weber. He's hoping to graduate. Of course this dad will have troubles before he finally reaches the top, but Willy believes he is ready to try. Best of everything, Willy!

....."AND therefore, young William, you must
cease to . . ."

Alas — It seems that William has been
called to the presence of his Sire. A strong
reprimanding will befall his lot for neglecting
his Knighthood training. But each day that
passeth is not like today. The King's court and
Round Table are ever ready to help our young
friend with his problems.

ADMINISTRATION

"... and in other words, young man ..."
Poor Willy! ... seems he is being called on the rug by the top ace of the school about cutting classes. All days are not like today for Willy, though. Our administration is always willing and ready to help students with problems.

Superintendent T. H. BELL

Our thanks and appreciation go to our new superintendent, Mr. T. H. Bell. He has accomplished much for the Weber County schools during the short time he has been with us.

SCHOOL BOARD

It is the duty of the Weber County School Board to take care of all of the county's schools and educational needs. Mr. Bell works hand in hand with the school board to improve our educational system.

We would like to thank the Board and Mr. Bell for their cooperation with our needs and problems. Their sincere and conscientious work has made our County's educational system one to be proud of.

 Roger Blomh

WE are living in a period when incredible progress is being made in all lines of human activity. There are so many things which have to be done that a challenge awaits everyone.

My hope is that each of you graduating seniors are capable of meeting this challenge; that you not only know how to use your knowledge but also have the disposition to do so; that your character, ideals and standards are such that you will be a worthwhile citizen. It is a wonderful world for you to fit yourself into.

MR. VAN ALFEN

Never before has life offered more opportunities to the young person who will rise up and meet the challenge. Don't be among those who fail to meet this challenge. Meet life with determination and confidence, and you will know the happiness life has to offer.

May you have success in so doing and be able to apply the knowledge you have gained for a very happy and useful life.

"KNIGHTS, Warriors, and Countrymen . . . Lend me your ear. . . ."

At the castle of Weber, all pages are given a chance to prove their leadership. William progresseth rapidly in this phase of training and wins applause from all. His fellow pages respecteth his authority and admireth his initiative and leadership. Many strive to follow his good example.

Inasmuch as this young Warrior has so advanced to a higher rank, he deserveth much praise.

STUDENT ORGANIZATIONS

"PRINCIPAL, teachers, and fellow students, in my opinion . . ."

At Weber, all students are given a chance to show initiative and originality. Take Willy for example. When it comes to participating in school activities he's the most. He's got the whole student body backin' him up on everything he does. Everyone admires his leadership and respects his authority. That cat is really going places.

ALTHOUGH the Concert Band presented several outstanding band shows during this year's football season, the main purpose of the group was preparing concert music fare for students and music lovers of the community. The highlight of the concert season was the performance of trumpet virtuoso, Rafael Mendez, with the Weber High Band. Concert trips round out the program of the Concert Band.

ORCHESTRA

The Orchestra played as guest in the Choral Concert on March 5. It also participated in the Spring Concert, April 9, and in the Instrument Festival, here at Weber on April 30.

PEP BAND

Weber's Herald Trumpeters practicing for performance.

PEP BAND

This lively group represents Webers band at our many football, basketball, and various other games. Much is added to our school spirit and enthusiasm because of their tireless efforts. Our songs and yells are really "tops" and can be heard for miles around when they are assisted by our pep band. The name of the group itself lets out the purpose and by all means, our pep band has been a great help in getting and keeping "Weber's Pep."

WARRIORETTE

Weber's Warriorettes have won praise from the studentbody, surrounding schools, and local newspapers for their outstanding performances and drill maneuvers. Spectators have been thrilled and elated over the excellent half-time activities presented at football and basketball games.

They were: President, Rosmary Montgomery; Vice President, Coleen Stocking; Secretary, Karen Bell; and Prop Manager, Ann Fox. Others are Sherrille East, Linda Vaughn, Vesta Miller, Frances Grow, Ann Probasco, Nancy Jensen, Shirley Osmond, Lois Adler, Connie McDougal, Dianne Arnold, Tonya Bright, and Lynette Garner.

DRUM MAJOR AND MAJORETTE

Drum Major — David Degen

Drum Majorette — Lynette Wolthius

This was the first year that Weber High School has had a boy and girl leading the band. Their high-stepping manner and colorful costumes adds much to the appearance of the band.

Their first performance was at the "Little Brown Jug" game. Along with their fine work as major and majorette, Lynette and David are also members of the Concert Band and play instruments in the band.

HISTORIAN

This year Mary Francis Jorgenson has done a marvelous job as our school historian. Her job was to record all happenings at Weber High this year, and to do research on other years. Because of her work and effort, this year of 1957-58 has been splendidly recorded and will be in Weber's history for many years to come.

COLUMNISTS

It is the responsibility of the columnist to provide the local paper with a story of every interesting and important event at Weber High. Thanks to the efforts of our columnists, not only the students of Weber know of our activities but also does our community. Columnists:

SCRIPTO

Editors:

Virginia Saunders
Layle Lindstrom

"Scripto" is Weber's literary magazine, written and compiled by the students of Weber High. Each semester one issue of the magazine comes out, featuring poems, stories, essays, and editorials.

Each year a contest is sponsored by Scripto for the best poem, story, and essay. The winners this year were Mary Klevjord, poetry; Gloria Christenson, story; and Dan Danielson, essay. Many students of Weber High have developed their writing ability to where it will assist them personally, and will also aid their community through the activities sponsored by Scripto.

ATHLETICS

"ALL for one and one for all and all for Weber High."

While taking part in sports, Willy got hep to the fact that sportsmanship and fair play are the most important parts of winning a game. He realized team work and cooperation are much better than individual play.

Realization of this fact makes him a better man.

PEP CLUB

FROM one extreme to another—! Shirley Hodson and Mellie Smith look at the outfits they wore to the Pep Club's "Come as you are Party."

JUST one of the many drills performed by the Pep Club is shown here.

PEP CLUB OFFICERS: Linda Maycock, President; Miss Cragun, Advisor; Shirley Hodson, Secretary.

PEP CLUB OFFICERS: Elaine Hogan, drill master; Jane Valentine, publicity chairman; Sally Sly, vice president.

THE Pep Club this year was a very active group. Under the direction of Molly Cragun, and officers, the Pep Club supported all teams by attending the games and cheering them onto victory. They were kept busy drilling for both football and basketball games. An assembly, dance, team parties, socials with other schools in the region, were all part of their schedule.

FOOTBALL

OUR football team brought honors to Weber High as they upset Ogden and won the Little Brown Jug for the second straight year. Although we did not always come out on top in scores, we always won in sportsmanship and fair play. Co-captains for this year were Lynn Taylor and Kenny Hicks.

Hi Norene

THE sophomore team did a great job their first year for Weber. We will be expecting more from them in the future years.

Paul Salvo and Ed Preece

ALTHOUGH our team wasn't always victorious in their games the spirit that prevailed made up for the losses.

The team, under the coaching of Paul Salvo and Edson Preece, had outstanding sportsmanship and put forth great effort during the season.

Reid Fielding puts over the idea "It's easy if you know how."

THESE senior members of the track team represented Weber in all phases of the sport. With their three years of experience, they provided much strength to our team.

UP and Over! John Yates participated in the high jump and pole vault. He is one of many boys who made this particular sport a favorite.

TRACK

OUR track team, one of the strongest Weber has had, set state as their goal this year. Weber has been regarded during the past seven years as one of the strongest in the region. The coaches felt it a privilege to work with this well-balanced group because of their determination to win. Mel Wood and Ed Preece coached this team of winners.

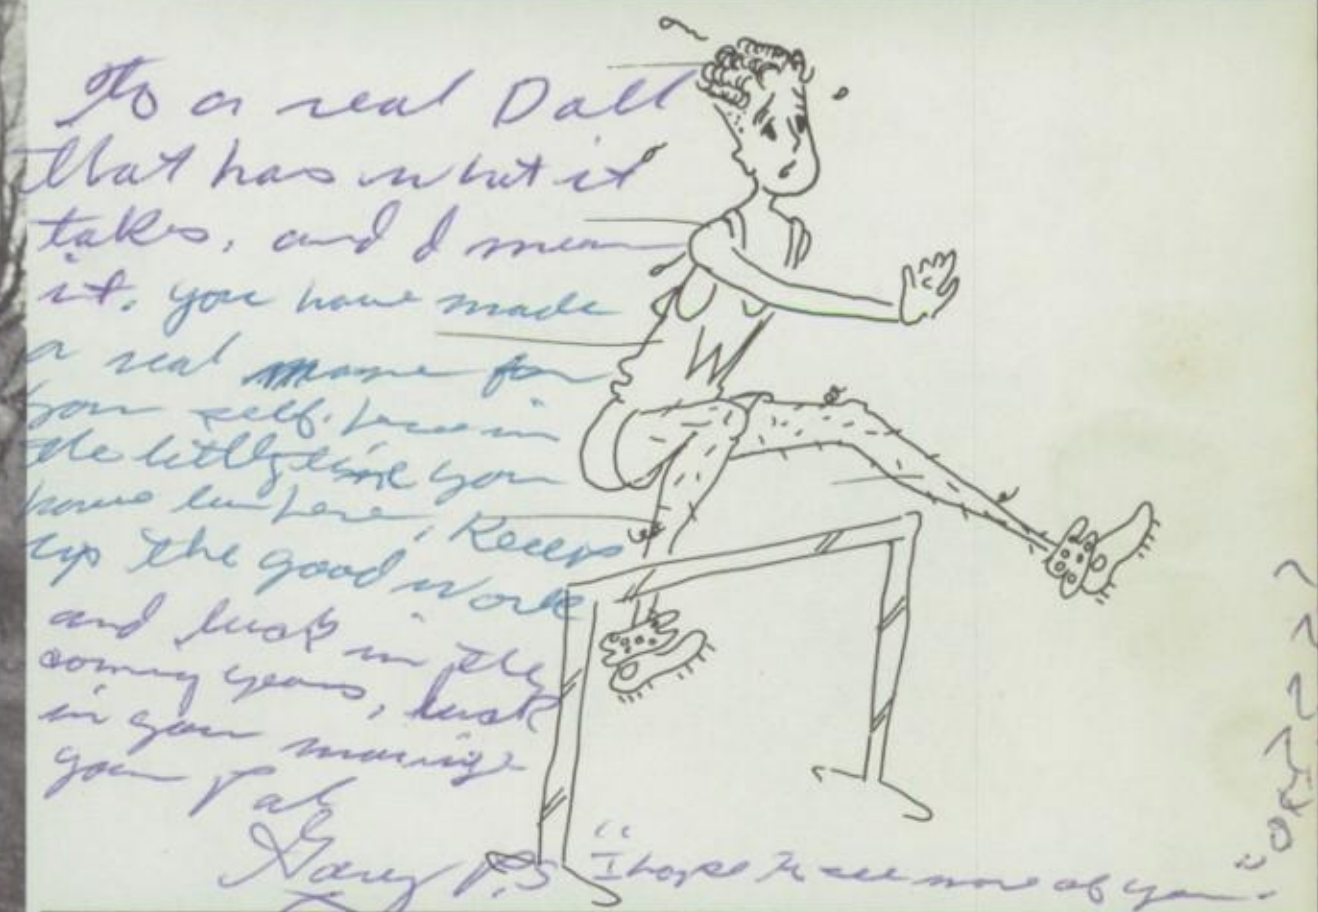

THE entire Weber High Track team participated in activities such as foot races, pole vault, high jump, javelin, and discus throw.

THE cross country team came through with flying colors again this year bringing many honors to Weber. Steve Burns and Gary Tesch, the co-captains of the team, took first and second place in the cross country race at the Brown Jug game, respectively.

Russ Hagen displays his skills in the javelin throw.

THE cross country team consisted of (back row, l. to r.): Steve Burns, Gary Tesch, Jack Towers, Lyle Saunders, Jack Clawson, Ted Shupe. Front row: Darrell Galloway, Dennis Stimpson, Paul Bingham, Brent Brunker, Russell Hagen and Max Lewis.

THE members of the golf team are: Frank Barbiero, Johnny Yates, Richard Keller, Richara Leferink, Mike Beus, and Jesse Lofgreen.

THE golf team participated with all the region in this sport. They played at El Monte Golf Course when visiting teams played our team.

THERE'S a time and place for everything, William. Do you really think that outfit is appropriate for your activities? It may be alright for hawking, but your fair maiden wouldn't want you wearing that to the King's Ball. You'd better think twice before you try something as daring as that.

There are many activities for you and it takes maneuvering to know how to dress and act according to the **WARRIOR'S CREED**. Be smart . . . be sure!

ACTIVITIES

" I SAY, old sack . . . Where are you going?

That dress may not be the thing for the Junior Prom; but when it comes to the "hops", she'll be tops. Don't be puzzled, friend, it's not the end! It's the latest rage, straight off the page. Dig it man—it's crazy!!!

OUR first assembly portrayed school life at Weber High.

HEY! Darrell! Where did you get that "chick" outfit?

THE first assembly was sponsored by the student body to acquaint students with all officers of the organizations.

Other "get acquainted" activities were sponsored, such as the get acquainted dance to give the student body an opportunity to get to know each other.

ACTIVITIES...

EVERYONE really wanted to get acquainted at our first dance of the year.

OUR Homecoming Queen — Jeanie Stimpson.

AN annual activity and one that is always looked forward to is the Homecoming day.

This year the graduating class of 33-43 and 53 was honored. An assembly was held in the afternoon followed by an exciting homecoming game and dance. Jeanie Stimpson, our pert little cheerleader, was crowned queen at the game and ruled the remainder of the evening.

Mr. Stokes, center, and his accomplices, Mr. Holley and Mr. Russell, perform on the assembly.

HOMEcoming QUEEN CANDIDATES: Left to Right—Jeanie Stimpson, Frances Brown, Colleen Stocking, Linda Maycock, Connie Jones, Joyce Cheney, Doris Knox, Mary Dodson, Julia Stettler, and Judy Harrop.

ALUMNI and students enjoyed the Homecoming dance, which was held after the game.

Joan MacFarlane was crowned sweetheart of the F.F.A. Harvest Ball. Joyce Cheney and Yvonne Hodges were chosen as attendants. Joan represented Weber at the state FFA convention in March.

The dance was postponed because of the Asiatic Flu, and the flower show was cancelled.

ACTIVITIES...

IT looks like Joan is more than the F.F.A.'s sweetheart!

"Little Brown Jug, how I love thee!"
At last, the biggest day of the year. The day of the Brown Jug game. Everyone sported red and black clothing and decorated their cars.

At our assembly, Ben Lomond wished us good luck and Ogden wished us the opposite. Good sportsmanship was emphasized all during the assembly which was broadcast over the radio.

It was a terrific day, but best of all, we trounced the Tigers and kept the jug.

Lois Alder was the top decorator with her "Man Conquer Animal" theme.

KICK 'em in the wishbone, sock 'em in the jaw!

THE capacity crowd supported the team at the assembly and at the game.

"THAT paint just isn't the right color yet."

ACTIVITIES...

CHILDREN'S THEATER

EVERY year the speech department of Weber High presents a fairy tale to the elementary schools in Weber County. This year the two Childrens Theater casts, directed by Reaveau Whitmore and Weldon Heslop, delighted many audiences with their portrayal of Hansel and Gretel. Although the main plot of the story was identical, the old witch was very near sighted and she brought many chuckles to the audiences and added much to the gay fantasy of the story.

Many moments of suspense held the listeners spellbound like the time Hansel and Gretel are left deep in the forest . . . or when the witch is planning to devour the children, but as in all good fairy tales everyone lived happily ever after, all except for the old witch that is..

DIRECTORS of the two casts were Mrs. Whitmore and Mr. Heslop. Student directors were Bill Higley and Burrell Davis. Those in the play were Phil Mathews and Mac Gift as Father; Mother, Judy Grant and Shirley Larsen; Hansel, Lyle Elmore and Gail Harms; Gretel, Cherri Lindsay and Barbara Parker; Witch, Nancy Knowles and Connie McDougal; Fairy, Elaine Parker and Lois Alder; Cat, Jo D' Ann Taylor and Charlotte Smith; Extra Children were Carol Manning, Ann Fox, Gerald Brown, and DeLoe Thompson.

George and Emily at the soda fountain. Bill Higley, the stage manager, is making strawberry Ice Cream Sodas.

Mrs. Gibb and Mrs. Webb talk over the day's events.

George throws himself in front of his wife's grave, heart broken and grief stricken.

A VERY unusual and dramatic play was presented to Weber High. This play "Our Town" used no scenery or props, and everything was done by pantomime with little help of sound effects. This was a very touching and beautiful play, excellently performed.

The main characters were: Stage Manager, Bill Higley; Emily Webb, Charleen Ellis; George Gibbs, Heber Fuller; Doc Gibbs, Johnny Statler; Mrs. Gibbs, Roselene Holloway; Rebecca Gibbs, Carol Manning; Professor Williams, Tom Hogan; Mr. Webb, Boyce Harris; Mrs. Webb, Merle Butler; Simon Stimpson, Richard Barlow; Constable Warren, Dewey Cragun; Mrs. Soames, Ann Fox; Howey Newsome, Alan Curtis; Director, Mrs. Reveau Whitmore; Student Director, Sandra Naisbitt.

PEG 'O MY HEART

Cast were as follows: Connie McDougal, Mrs. Chichester; Elaine Parker, Peg; Gregg Ashburn, Eric; Earl Mark, Jarvis; Judy Grant, Bennett; Sandra Naisbitt, Ethel; Tex Hancock, Brent; Allen Peck, Mr. Hawk; Julie Bywater, Stage Manager.

THE leaving of a loved one, a loss of all the Chichester family wealth, a rich uncles death all went together to form the plot for Peg O My Heart. The play was both humorous and dramatic and very interesting as well as being well performed. It was under the direction of Weldon Heslop with Beverly Huffman as Student Director.

A BURGLAR is heard downstairs.

THE reading of the families will bring suspense into the play.

Peg catches Brent, who is married to someone else, making love to Ethel.

WELL, William, it appears that you are striving for some favors by bringing such fine goods to your teacher. If anyone can help you attain knighthood, this wise man surely can. Dear Forene:
I've been sitting here for 20 minutes and I still can't find the words to tell you how much your wonderful friendship has meant to me. I'm so thankful that you moved from Oregon and I moved from Millville. It seems almost impossible that we could move from two places so far apart and meet here in Roy. Maybe it was just meant to be that way.

Forene, you're the most wonderful person I know in so many different ways. Your personality is so perfect --- an example for everyone to follow. If everyone in the world was perfect you'd still outshine them all. And you're so beautiful and have such a warm, friendly smile. That smile has cheered me and lots of other people so many different times when the going has been rough. You seem to have a solution to every problem. You've given me wonderful advice on so many of my problems. Thanks a million for listening to all my troubles --- it would take more than a lifetime to make me forget that.

THE Art Department is under the direction of Ferman J. Westergard and Gerald Olson. They teach students art, sign painting, oil painting, sculpturing and ceramics. The fundamentals of art, and a genuine interest are taught to students.

We have so many memories to treasure. Remember the Miss Kay Pageant and Pep Club and the angel hair all over the place and a million other wonderful experiences. Forene, you'll always have a place in my memories and I hope and pray that you'll remember me, too. I've had so much fun double dating with you and Max. I sure hope everything works out for

you -- I'm sure it will.
I guess it won't be too
many years before we'll
be married and maybe
living quite far apart. But
let's not let our friendship
die. I couldn't stand to
lose a wonderful friend
like you. We can write
letters and maybe see
each other once
in awhile. Who knows --
maybe we'll be neighbors.

LIFE SCIENCE

WE must all adjust to life — emotionally, mentally, socially, and physically. The purpose of the life science class is to adjust and help the students make these adjustments.

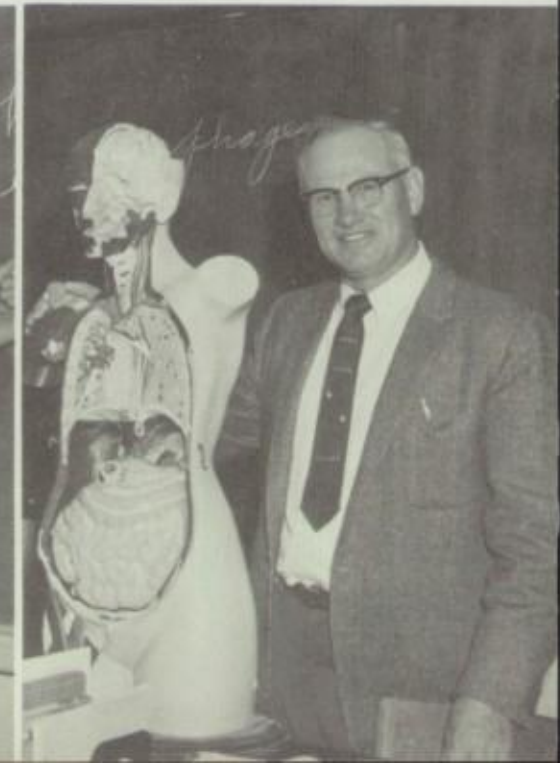

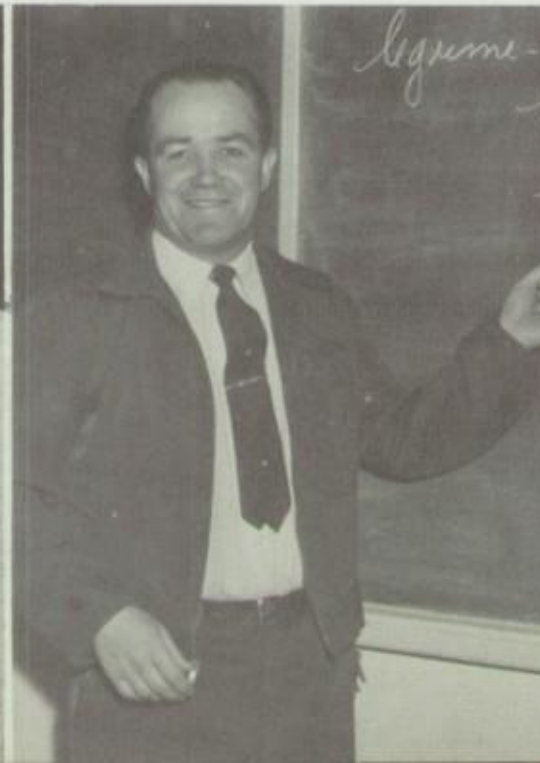

To adjust we must understand the development of the human body, how it functions, and why: also why persons respond the way they do to certain situations that may arise. We must also know something of our environment.

PHYSICAL SCIENCE AND MATH

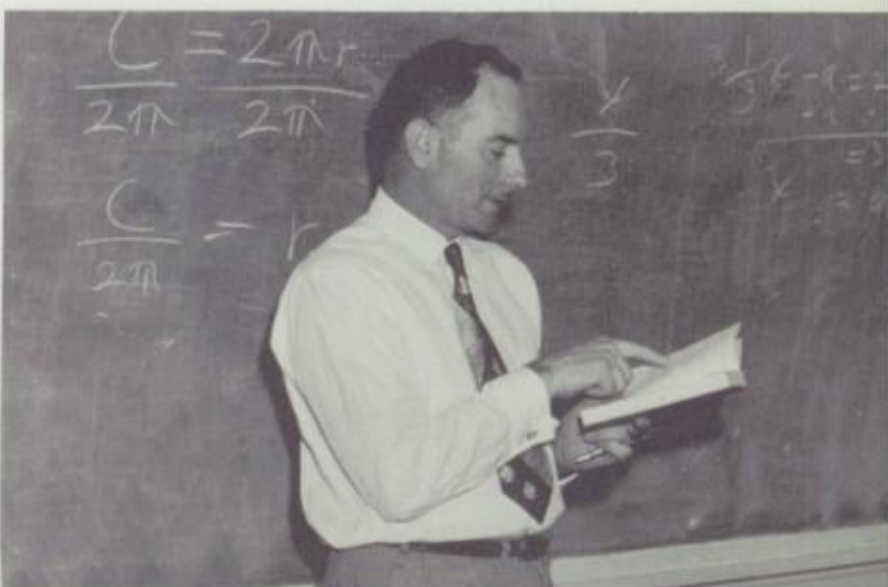

THE purpose of the physical science and math program is to give the student an appreciation of the challenge presented in these fields, through systematic presentation of the basic concepts.

It is the desire of the teachers to install within the individual the desire to achieve in these fields, through continuation of the work into the institutions of higher learning.

SOCIAL SCIENCE

IT is our duty to learn and understand about our heritage; also our historical and cultural background. American History, American Problems, and World History constitute the social science courses at Weber. Their main purpose is to help us gain a better perspective of our wide world.

SENIORS

Rosalie Moyes, Secretary

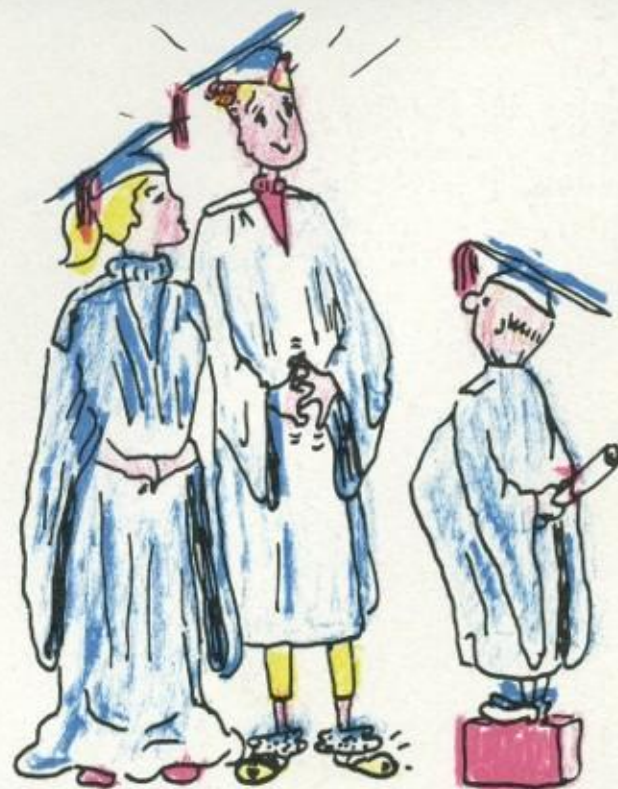

"I DUB thee Sir William, Knight of Ye Olde Castle."

At last our Warrior has attained the highest honour of the castle—Knighthood. Now all his efforts, trials and tribulations seem small in the light of his accomplishment. He has endured much to achieve such a noble goal but it is all worthwhile because of the respect and honour he has earned.

"I PRONOUNCE you, Willy Warrior—graduate of your dear Weber."

And so Willy bids farewell to his dear old Weber. The end of his high school days begins the trek down the path of manhood. His quest for knowledge will not end, for Willy knows that in this day of education and learning, only "The truth shall make you Free."

Mr. Henry,
 Maybe I should say
 Mrs. Simpson? I feel very
 honored that you would ask me to write in your
 yearbook. I hope you don't mind if I say some
 odd things. Please read that on a mission
 and when I'm out, please don't let it
 reach (the finger in bracket). Lots of happiness
 and joy in all your activities. I hope you will
 succeed in everything you do (I know you can).
 Always,
 Henry
